

Trampoline High

12395 SW 130th Street #111
Miami, FL 33186

Employment Application Instructions

If you are at least 16 years of age and looking for an enjoyable and energetic environment in which to work, Trampoline High may be just the place for you.

Before you submit your employment application, however, let's make sure this position will be a good fit for you.

We are looking for...

Honest, energetic, reliable, clean, polite, "people people".

What this means...

Honesty: All information in your application must be true and complete. Minor past problems will not necessarily disqualify you from employment, but lies or omissions on your application absolutely will. We WILL check your background and references. Honesty also means that you will not provide free services to friends or family.

Energetic: We wish to create a lively, vibrant environment. If anything needs attention, you should WANT to jump to it. This applies especially to taking care of customer needs quickly, efficiently, and with a smile.

Reliable: You will show up for work on time – every time – and you will perform your tasks responsibly.

Clean: "Inside and out". This not only means showing up for work well groomed and dressed; it also means not using foul language or being under the influence of alcohol or drugs.

Polite: If you need this one explained, don't apply.

"People people": You must be a people person: Friendly, confident, comfortable around others, engaging, and a good communicator. You must be able to get along well with others while commanding respect and maintaining authority when necessary to enforce Trampoline High rules. ***This is not a place for the shy.***

If you feel that you and Trampoline High will be a good match, complete and sign the application that follows, and submit it in person to our manager before 6:00pm during operating hours.

Note: *You will be asked to return for a personal interview only AFTER your application has been reviewed and IF a suitable job opening is available.*

Trampoline High Employment Application
